hp LaserJet 1000 printer

hp's most-affordable laser printer

Designed for personal printing in entrepreneurial businesses, home businesses, and telecommuters who are challenged by a multitude of printing needs, the HP LaserJet 1000 printer is a simple, low-cost, reliable laser printer for fundamental printing, delivering professional-looking business documents every time.

professional

- reflect a professional image—the hp LaserJet 1000 delivers high-quality black & white documents at 600 x 600 dpi with Resolution Enhancement technology (REt) (1200 dpi effective output)
- quickly print your business correspondence—instant-on fuser delivers superior-quality printed documents every time at 10 pages per minute with first page out in 15 seconds
- maximize productivity—250-sheet input tray 125-sheet output tray, and the robust, hp LaserJet ultraprecise print cartridge advancements ensure professional-quality output and reliability

simple

- easy to install and use—the hp LaserJet 1000 printer-installation program and help program comes on CD-ROM and installs effortlessly on your computer
- designed for today's newest computers—standard USB port allows for "plug and play" operation
- compatible with your existing PC software—works with Microsoft® Windows® 98, 2000, Me, and XP
- effortless problem-solving—video help for error messaging is included in the installation software

reliable

- worry-free printing every day—proven hp LaserJet technology provides all of the dependable printing you expect from hp
- designed to last—standard hp LaserJet engine delivers 7,000 page-per-month duty cycle
- feel confident—standard 1-year limited warranty takes the worry out of printer operation

All of the HP printing and imaging systems easily help you create powerful, professional communications. The printers, supplies, and accessories are specifically designed to work best together. Right-sized, cost-efficient, customized HP printing systems—invented to meet your business needs.

technical specifications

hp LaserJet 1000 printer

125-sheet output tray bin (20 lb, 75 g/m² paper)
Paper sizes:
3 x 5 in (76 x 127 mm) minimum;
8.5 x 14 in (216 x 356 mm) maximum
Media weights: 16 to 28 lb, (60 to 163 g/m²) straight through paper path

connectivity
USB port only
2-meter cable with pod formatter included

environmental ranges (varies according to region)
Operating temperature: 50 to 90.5° F (10 to 32.5° C)
Operating humidity: 20 to 80% non-condensing
Storage temperature: 4 to 140° F (-20° to 60° C)
Storage humidity: 10 to 90% non-condensing

power requirements (varies according to region)
Source: 110 or 220 volts

power consumption (varies according to region)
Printing: 213 watts
Standby powersave: 7 watts

acoustics (varies according to region)
Printing power: LwAd = 5.2 Bels
Standby (ready state): LwAd = 4.4 Bels
Sound power: LwAd = 5.9 Bels

warranty
1-year limited warranty backed by hp customer care

printer physical dimensions (w x d x h)
16.3 x 19.1 x 10 in (415 x 486 x 253 mm)

formatter pod physical dimensions (w x d x h)
1.2 x 3.4 x 2.75 in (30 x 85 x 70 mm)

weight
15.9 lbs (7.25 kg)

product certification (varies according to region)
Carries CE marking for EU (EMC and low voltage directives); complies with IEC 60950/EN60950 and IEC60825-1/EN60825-1 (Class 1 Laser/LED product; FCC Class B and CISPR22 Class B; CDRH Class 1 Laser product; TUV/GS approved (for 220-240V); UL/cUL Listed (for 110-127V); other product certification are provided as required to meet specific country regulations

software
GDI/Host-based printing
DOS Box PCL5e emulation

networks supported
Microsoft Windows sharing only for support OS's. Peer-to-peer networking
